locked out
again**

**Secure key
access for
others**

**Easy wall
mounting
(fittings included)**

**More secure -
10,000
possible
combinations**

**No added
costs**

**STORE OR
SHARE UPTO
10 KEYS!!!**

Sentinel provides access to homes where the resident receives a number of visitors e.g. carers, nurses, paramedics, care-line, home meals, friends & family members, delivery people... but may have difficulty in getting to the door to allow people in.

- eliminates lost keys & lock smith callouts
- eliminates the need for police forced entry
- provides quick change combination facility
- utilises 4 digit, 10,000 possible combinations
- easy to install with no maintenance required
- works hand in hand with Care Line services
- no power is required
